

MAIN STAGE

DAY 1	
9:00 AM	OPENING CEREMONY
9:10 AM	KEYNOTE: Building the Future of Mobility in Toledo
9:20 AM	<p>FIRESIDE CHAT</p> <p>Building a Sustainable EV Ecosystem: Collaboration Between Automakers, Tech Companies, and Policymakers</p> <p>Few Discussion points:</p> <ul style="list-style-type: none"> • Shared responsibilities across vehicle makers, tech providers, and regulators • How policy and technology co-evolve to support faster EV adoption without fragmentation • Enabling seamless user experience
9:50 AM	<p>PANEL</p> <p>From Connections to Capital: Turning Global EV Partnerships into Investment and Projects (In collaboration with RGP)</p> <p>Few Discussion points:</p> <ul style="list-style-type: none"> • Converting international and domestic partnerships into real EV investments • Trade and supply chain collaboration for EV manufacturing and infrastructure • Joint initiatives in EV infrastructure and mobility projects • Investment-ready opportunities in Ohio and U.S. regions
10:30 AM	N E T W O R K I N G C O F F E E B R E A K
11:00 AM	<p>PANEL</p> <p>Building Integrated Mobility Networks: CPOs, Transit Operators, and Shared Platforms</p> <p>Few Discussion points:</p> <ul style="list-style-type: none"> • Role of CPOs, transit operators, and shared mobility platforms in network design • Seamless user experience across public and private mobility systems • Monetization models for integrated mobility infrastructure
11:40 AM	<p>KEYNOTE</p> <p>The "Whole System" Mobility Play: Integrating EV Fleets with Public Transit and Urban Planning</p> <p>Few Discussion points:</p> <ul style="list-style-type: none"> • Integrating private EVs, fleets, and public transit • Infrastructure coordination challenges • Urban planning constraints • Cost efficiency and service reliability
12:00 PM	N E T W O R K I N G L U N C H B R E A K
13:00 PM	<p>FIRESIDE CHAT</p> <p>The Role of R&D and Academia in Shaping Future Technologies</p> <p>Few Discussion points:</p> <ul style="list-style-type: none"> • Translating academic research into commercial mobility solutions • Public-private collaboration models for innovation scaling • Skills development for next-generation mobility workforce
13:30 PM	<p>CROSS STAGE PANEL</p> <p>Cross-Industry Integration: How Energy, Mobility, and Intelligence Must Move Together</p> <p>Few Discussion points:</p> <ul style="list-style-type: none"> • Interdependencies across power, transport, and data • Bottlenecks slowing deployment • Where value is actually created
14:00 PM	E N D O F D A Y - 1 C O N F E R E N C E

MAIN STAGE

DAY 2		
9:00 AM	OPENING CEREMONY	
9:05 AM	KEYNOTE Oil Spikes, EV Surges: Mapping the Shift in Buyer Preference	Few Discussion points: <ul style="list-style-type: none"> Correlation between energy price volatility and EV adoption Shifting consumer and fleet purchasing behavior Long-term demand signals across mobility markets
9:20 AM	FIRESIDE CHAT The Evolving Role of Financial Institutions in the Real Economy	Few Discussion points: <ul style="list-style-type: none"> Financing mobility infrastructure at scale Risk perception shifts in clean mobility investments
9:50 AM	PANEL Collaborative Mobility: How Developers, Municipalities, and EV Providers Can Co-Create Sustainable Urban Ecosystems	Few Discussion points: <ul style="list-style-type: none"> Designing urban spaces around integrated transport systems Long-term governance models for sustainable mobility ecosystems
10:30 AM	N E T W O R K I N G C O F F E E B R E A K	
11:00 AM	PANEL Localization vs Globalization in Mobility Production Networks	Few Discussion points: <ul style="list-style-type: none"> Reshaping supply chains for resilience and efficiency Strategic balancing of domestic manufacturing and global sourcing Policy influence on localization trends
11:40 AM	KEYNOTE Fleet First – Commercial Electrification as the Growth Engine	Few Discussion points: <ul style="list-style-type: none"> Fleet-driven acceleration of EV adoption Business case transformation for commercial operators Infrastructure scaling challenges for high-utilization fleets
12:00 PM	N E T W O R K I N G L U N C H B R E A K	
13:00 PM	FIRESIDE CHAT Regional Readiness for New Company Entry: Workforce, Industry, and Supply Networks	Few Discussion points: <ul style="list-style-type: none"> Workforce preparedness for mobility industry transformation Strengthening supply networks for scalable operations Industrial readiness for global mobility companies
13:30 PM	CROSS STAGE PANEL The Three-Domain Mobility Equation: Connecting Air, Sea, and Land	Few Discussion points: <ul style="list-style-type: none"> Integration challenges across air, sea, and land mobility systems Shared infrastructure requirements across domains
14:00 PM	E N D O F D A Y - 2 C O N F E R E N C E
